**Global Wealth Advisors Partners for Toy Drive with
*U.S. Marine Corps Reserve Toys for Tots Program***

LEWISVILLE, TEXAS (December 1, 2020)—Global Wealth Advisors, a Financial Planning and Wealth Management firm in Dallas, Texas, today announces the firm is sponsoring a toy drop-off box to help needy children as part of the 2020 Toys for Tots Program.

According to the 2019 United States Census Bureau Income and Poverty report, one in seven children – nearly 12 million – live in poverty. Coupled in 2020 with the coronavirus pandemic, it has increased pressure on many families this year. The Toys for Tots stated goal is that “every child receives a toy at Christmas”. This year, the organization will be tested by COVID-19 as they safely collect new, unwrapped toys to distribute to needy children.

Global Wealth Advisors President [Kris Maksimovich, AIF®, CRPC®, CRC®](#) is called to take part in the program, particularly during this unprecedented year. According to Maksimovich, “Helping children has always been a part of our GWA Gives© program. With the devastating impact the pandemic has caused on families, it is critical that we continue helping organizations that can bring them support and joy.”
